

# LAIDLEY COMMUNITY CENTRE STRATEGIC PLAN

2024 - 2027

**OUR VISION:** Our vision is that all residents in Laidley and the surrounding area have access to basic necessities in order to experience quality life opportunities in a thriving and supportive community.

**OUR MISSION:** To provide access to resources that enable achievement of our vision to residents in Laidley and the surrounding area. In 2024 – 2027 we plan to use the following values and strategies to achieve this:

## VALUES

### COMPASSION

### SERVICE

### INCLUSION

#### Strategy 1

Providing targeted service delivery in response to need

- Ensure high quality, accessible service
- Strive for long term security of funding
- Increase capacity to offer support and opportunities to a broader range of clients
- Ensure well-qualified staff in service delivery roles

#### Strategy 2

Engaging with the Community

- Provide safe, welcoming places
- Provide and/or utilise activities and events
- Undertake consultation, promotion and communication
- Promote broad, representative membership of the organisation

#### Strategy 3

Building Community Capacity

- Utilise networking and partnerships to best advantage
- Utilise support for and from local organisations as required
- Research and target responses to identified need
- Enhance volunteer support and involvement

#### Strategy 4

Maintaining High Organisational Standards

- Demonstrate effective organisational governance
- Achieve strengthened economic position and sustainability
- Maintain infrastructure appropriate for service delivery
- Foster a strong performance and accountability culture
